Fiscal Court Meets.

The Bourbon Fiscal Court met Saturday, with Judge Denis Dundon presiding and the following magistrates present: L. J. Fretwell, E. P. Thomason, R. H. Burris, J. J. Redmon, O. K. Lloyd, John N. Shropshire and G. K. Redmon. The report of Road Supervisor C. F. Redmon was filed with the court and accepted and a number of claims were allowed for work on the turnpikes of the county. The court appropriated the sum of \$1,000 for the use of the Turnpike Supervisor for the month of June.

Squires Lloyd and Shropshire were appointed a committee by the court to purchase a bridge to be placed on the Hooktown pike, near the Nicholas county line and a committee composed of Squires Thomason and Burris and Shropshire was named to go to Nicholasville to inspect a rock distributing machine which was recently purchased and placed in operation.

The sum of \$2,969.31 was ordered paid to the Acme Road Machinery Co., for the road machinery recently purchased by the county as soon as in the judgment of the road supervisor the company has complied with its contract.

For the purpose of building 1 1/2-100 miles of turnpike on the Iron Works pike between the Paris and Clintonville and Paris and Bethlehem pikes, the court appropriated the sum of \$1,250, the money being available when the subscriptions to the amount of \$750 to be used in connection with that appropriated by the county, is turned over to the county treasurer. Court adjourned to meet on July 5.

Link Grocery Co. Incorporated.

Articles of incorporation of the Link Grocery Co., of Paris, were filed in the office of County Clerk Pearce Paton. The company has for several years conducted a grocery and meat market on West Eighth street. The corporation is to be known as the Link Grocery Company and is to have a paid up capital stock of \$1,500. This stock is divided into 100 shares of par value of \$15 per share and the entire amount is subscribed by the family of Mr. Robert Link, founder of the business. The incorporation papers provide for the handling of a general grocery business and the highest amount of indebtedness to be incurred is not to exceed the amount of the paid-in capital. The personal estates of the stockholders will not be liable for the debts of the corporation. The business is to be managed by a president, vice-president and secretary-treasurer, who will also compose the board of directors.

Laborers Demand Higher Wages.

An attempt has been made by the laborers of Bourbon county to corner the market and command their own prices for their labor in the coming grass seed harvest season. This season Bourbon county has an unusually large and heavy crop of grass seed and it will require about five hundred stripping machines to harvest the crop. Each machine requires two men to operate it, one to drive and another to rake back the seed. It has been the custom of those engaged in grass seed harvesting to pay \$1.50 for drivers and \$2.50 per day for raking back. Negroes are usually employed at this work, and they have demanded \$2 and \$3 per day respectively for their labor, which the employers have refused to pay.

Several men who have large crops of seed on their hands ready for the harvest are at a loss to know how to cope with the situation, while others have made visits to other towns where they have secured negro laborers, paying them at the rate of \$1.50 and \$2.50 per day and board during the harvest, and furnishing them transportation.

It was stated yesterday that there would be ample labor secured at prices which were formerly paid for harvesting the blue grass crop, as several hundred men will be imported from other towns to carry on the work. It is also stated a large number will be secured from Middlesboro and application has been made to an employment agency in Cincinnati, looking toward securing a large number from that city.

It is the purpose of those who are preparing to harvest the crop to pay only four dollars per stripper for laborers, and those who are holding out will no doubt get left if a sufficient number of men can be secured in other cities.

LIFELONG CURES FOR WEAK, DISEASED MEN

(Established 1892) BY A TRUE SPECIALIST FOR MEN. (Established 1892)

There is absolutely no patchwork about the results of the course of treatment I give for each of the diseases I make a specialty, for soon after beginning my treatment every symptom of disease disappears and the trouble never returns.

LOWEST CHARGES || QUICKEST CURES
of Any Specialist || That Stay Cured
A CERTAIN CURE

is what I will give you if your case is curable; if not, I will not accept your money and promise to do anything for you. The best references I could give as to professional reliability are the many cured, satisfied patients I dismiss, which proves that my treatment cures when others fail to even benefit.

YOU CAN TAKE MY TREATMENT WITHOUT A CENT AND PAY AFTER I CURE YOU. I want a chance to prove I can cure afflicted, skeptical men.

Remember, my treatment is different, better and COSTS YOU NOTHING unless you are willing, glad and satisfied to pay me. THESE ARE THE DISEASES OF WHICH I HAVE CURED SO MANY MEN—MANY OF WHOM FAILED TO RECEIVE A CURE IN TREATING WITH OTHER SPECIALISTS.

Blood Poison, Skin Diseases:

Rash, Sore Mouth or Throat, Swollen Glands, Mucous Patches, Copper-Colored Spots, Rheumatic Pains, Eczema, Itching, Burning, Nervousness.

Nervousness, Weakness,

Failing Health, Weakness, Poor Memory, Loss of Energy, Drain on the Ambition, Wornout Feeling, Timid, Headache, Backache, Excesses, Melancholy, Easily Excited, Restless at Night are some of the symptoms that destroy manhood.

Look Out for That Dog.

A law will become effective June 15 which will be of interest to motorists in Kentucky, as it makes it possible for persons having dogs injured by automobilists to institute suit for damages, in civil action against owners of the offending cars. The bill was backed by the Kentucky Humane Society, which has sent out word that it will assist anyone having such a claim in prosecuting suits.

Third dam by Gold Dust 150. EGYPTIAN BARON is a black horse 15.2. A grand individual and one of the best representatives of the great Baron Wilkes, now known as the Futurity family. He is one of the fastest best headed horses in Kentucky, and has been a mile over my three-quarter track, which is at least three seconds slower than Lexington, in 2:09 1/4, last half in 1:03 1/4, last quarter in :30 1/4. Although he is a pacer, he was a natural and fast trotter and could trot in 2:40 at two years old. Was raced a little for education, and proved himself a game level headed race horse, and if he stays right, we predict a record of 2:05 or better this year. He has served a few mares, and his colts are good individuals and fast. One, a yearling, out of a pacing mare, is one of the best trotters, for his work, I ever had—trotted a mile, with few days work, last fall, in 2:58 1/4, last half in 1:26, last quarter in :42. Egyptian Baron will serve a few approved mares at

\$25 to insure a living foal.

Care taken, but no responsibility assumed for accidents or escapes. Money due in all cases if mare changes hands or is parted with. Mares kept on grass at \$1.00 per week.

Still Embalming Beef.

Almost simultaneously with the charge made in Congress by Congressman Nelson, that the Department of Agriculture was "letting up" in the meat inspection standard, comes the discovery, at Philadelphia, that 26,000 pounds of "embalmed" beef had been put aboard the United States cruiser Prairie, which was about to proceed to Cuba to help quell the new revolution in that country.

This tainted food was detected, not by the regular meat inspectors, but by special inspectors assigned by the Navy Department to test that particular consignment of meat. The naval inspectors described this "meat" which was intended for the American soldiers and sailors as "filthy and diseased."

Solicitor George P. McCabe, the Wilson-underling who drove Dr. Wiley out of the government service, grew very indignant when Congressman Nelson first asserted that the meat inspectors of the Agricultural Department were not doing their duty by the public.

But the Philadelphia discovery shows that Nelson knew what he was talking about.

Senator Lorimer, Patriot

Senator Lorimer, in announcing that he would not resign, has done the country a real service, and if he clings to that intention until the question of his retention can be decided by a vote in the Senate, he will have performed a really great service.

There are something over forty Senators who will vote to keep Lorimer in his tainted seat. If Lorimer had resigned, they would have escaped a record vote. Now that he has announced his intention to stick, they will be brought fairly to the scratch and be forced to go squarely on record. And after they vote for Lorimer they will be retired just as soon as the people can get at them. This will be a mighty good thing for the country—for which Mr. Lorimer is entitled to credit.

Old Doctor Gallinger.

Among the United States Senators who will vote to retain Lorimer in his seat, and who will vote against the income tax and the Democratic tariff reduction bills, and who will vote on everything that comes up just exactly as Aldrich would have voted, had he remained in the Senate, is J. H. Gallinger, of New Hampshire, sometimes called "Old Doctor Gallinger." Gallinger has ideas on other subjects than Lorimer and high tariff, and among these other subjects are the eight-hour day. Listen to him:

"I happen to be one Senator who, during a very important time in my life, was able to work sixteen hours a day, and if any man or any government should have stepped in and said that I should be allowed to work only eight hours a day I should have considered that man or that government an enemy of mine." How such speeches must please the Steel Trust, which works men twelve hours a day, seven days a week, 375 days a year!

Bourbon county's trip to Mammoth Cave will be June 19th. The round trip railroad fare from all stations in the county, \$5.65. All expenses at Cave hotel, \$6.50 for three days trip. This latter amount includes your board at Cave hotel, and the several routes through the cave, making the expense for a grand three days outing to the great Subterranean wonder for \$12.15. The hotel has been reserved for this date. Tickets on sale from all stations. A specially conducted trip. Through coaches on regular morning trains. Write or phone L. & N. agent. "td

Why Women Are Not RICH.

Man is a millionaire many times over in the possession of blood cells. Woman is not quite so rich, for scientists have proven that the normal man has five million—the woman only four and a half million to a cubic millimetre of blood.

A decrease in number of red blood corpuscles and a person "looks pale"—in fact, is anemic, the blood does not get the right food and probably the stomach is disordered.

Dr. R. V. Pierce found years ago that a glyceric extract of golden seal and Oregon grape roots, queen's root and bloodroot with black cherrybark, would help the assimilation of the food in the stomach, correct liver bile and in Nature's own way increase the red blood corpuscles. This medicine he called Dr. Pierce's Golden Medical Discovery. By assimilating the food eaten the system is nourished and the blood takes on a rich red color. Nervousness is only "the cry of the starved nerves for food," and when the nerves are fed on rich red blood the person loses those irritable feelings, sleeps well at night and is refreshed in the morning.

"I was attacked with a severe nervous disease, which was caused by a disordered stomach and liver," writes Mr. Jas. D. Lively, of Washburn, Tenn., Route 2, Box 33. "All my friends thought I would die and the best physicians gave me up. I was advised to try Dr. Pierce's Golden Medical Discovery, and derived much benefit from same. My case had run so long, it had become so chronic that nothing would effect a permanent cure, but Dr. Pierce's medicine has done much for me and I highly recommend it. I heartily advise its use as a spring tonic, and further advise ailing people to take Dr. Pierce's medicines before their diseases have run so long that there is no chance to be cured."

Buy An IHC Spreader
 From Your Local Dealer

BEYOND doubt a good man-
 ure spreader is a necessity
 on every farm. Every
 live farmer has asked himself—
 "Which spreader is best?"
 "Why is it best?" and, "Where
 can I buy that spreader?"
 The answer to these ques-
 tions is—buy an IHC spreader
 from your local dealer.

The fertility of your soil de-
 pends as much on proper distri-
 bution as on the manure itself.
 Settle the manure spreader
 question once for all. See the

 Time You Need Them Most.

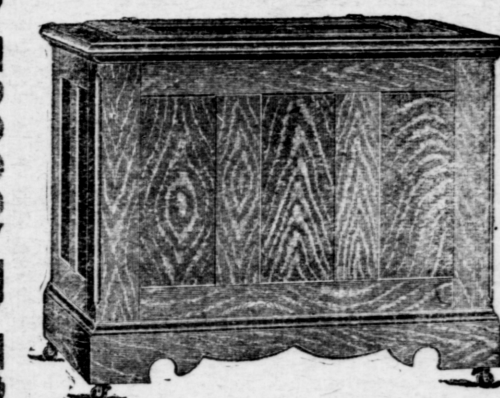

Are You Going to Buy a Refrigerator This Spring?

Primarily there is only one thing for a Refrigerator
 to do and that is to keep food at such a temperature that it
 will not spoil in warm weather. The Refrigerator that will
 do this with the least possible consumption of ice is the
 best Refrigerator.

A Refrigerator must have good packing. It must be built on scientific principles or it
 will not fill its mission. We carry a complete line of Refrigerators and Ice Chests from the
 cheapest that is good to the best the market affords. Don't fail to inspect our line before
 buying.

Studebaker

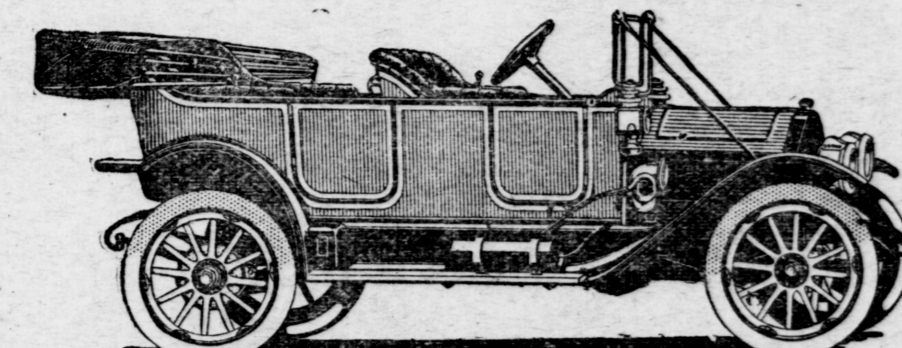

Your Dollar Buys More

When you buy a Studebaker-E-M-F "30" or Studebaker-
 Flanders "20" you get more for your money, dollar for
 dollar, than in any other car built.

There may be other good cars—but what is their price?
 That's the rub. If they really are good cars, they neces-
 sarily cost more because comparatively few are built. Some
 poor cars, you know, are high priced too, so that the dealer
 can fool you by cutting the price. What a car is really
 worth, not what it costs, should be your standard.

The Studebaker Corporation has the largest and best
 automobile factories in the world. We could build and sell
 any competing car today for less money than its present
 price. In your Studebaker-E-M-F "30" or Flanders "20"
 you get full value, because the biggest factories and the
 best brains in the industry build these cars.

Studebaker-E-M-F "30" Touring Car, standard equipped,
 f.o.b. Detroit \$1100. Equipped as above with Top,
 Windshield, Prest-O-Lite Tank and Speedometer, f.o.b.
 Detroit \$1190.

New Stomach Relief Gets Country Wide Endorsement.

The new remedy for indigestion called "Digestit" has been found a certain quick relief and permanent remedy for stomach disorders. Letters from thousands who had suffered the tortures of indigestion and got relief from the use of Digestit are evidence of its merit. The enormous increase in demand from every part of the country is proof of its popularity. But you do not have to take anybody's word for it—try it yourself on absolute guarantee.

Arrested For Stealing Bicycle.

William Ridley, colored, aged 34 years, was arrested in Lexington Saturday morning at 11 o'clock by Detectives Veal and Thompson, on the charge of having stolen a bicycle in this city, and was returned to Paris Saturday afternoon to answer the charge.

Ridley is from Jessamine county and has been employed in a construction camp near this city. Several days ago he disposed of a suit of clothes which is believed to have been stolen, to a negro at a railroad camp, and while in Paris Saturday stole a bicycle which was the property of Mr. Henry Grosche. The bicycle was taken from the front of Mr. Grosche's bakery on High street. The police were notified of the theft.

and Patrolman Link instituted a search for the missing wheel. It was later found that Ridley had disposed of the wheel to a negro named Lee Sturdivant for fifty cents and it later developed that the thief had taken a car for Lexington, so the police of that city were notified to be on the lookout for the man of whom they were furnished an accurate description. When the car reached the city limits the car was taken into custody.

Yesterday morning in police court Ridley was held under bond of \$200 to await the action of the Bourbon county grand jury sitting at the June term of court.

Seed Harvest To Begin Thursday

The harvest of the blue grass seed of Bourbon county will begin in earnest Thursday morning, when all of the local firms who have contracted for standing seed will place their strippers in the field and with a large force of men will push the harvest with all haste before the seed, which is ripening rapidly, begins to fall off.

From estimates that have been furnished by the local dealers there will be a bumper crop of seed this season, exceeding by many thousand bushels, the heaviest crop in recent years. The seed is unusually heavy and has headed out well. Good weather prevailing the harvest will be completed in two or three weeks.

Hundreds of strippers will be placed in the fields Thursday morning. R. B. Hutchcraft, of this city, who has about 1,500 acres of seed to harvest, will operate 20 strippers. Spears & Sons will probably have the largest number in operation, and expect to begin work with seventy in their effort to get in the crop from 6,000 acres as early as possible. Thomason, Collins & Redmon, of North Middletown, who have contracted for 6,000 acres of standing seed, will put forty-seven machines in the field.

C. S. Brent & Bro., of Paris, who have purchased the seed from upward of 5,000 acres, will start Thursday morning with fifty strippers, and Stuart & O'Brien will operate about sixteen. Several parties in the North Middletown precinct, who have before them large contracts for seed, will operate strippers, and a number of individuals will have out machines for the harvest, among them being John and Thomas Maher, of Paris, who will place fifteen machines in the field.

The blue grass seed market is the most interesting topic of conversation at the present time. This year's crop is undoubtedly the largest on record, being estimated from nine hundred thousand to one million two hundred and fifty thousand bushels.

A prominent blue grass seed dealer has furnished the News with the following table of crops and prices covering the last twelve years:

Yr.	Est. bu. in crop.	Pr. cured Aug.
1900—500,000.	42-45c	
1901—400,000.	50c	
1902—275,000.	72c	
1903—340,000.	85c	
1904—350,000.	40-42c	
1905—275,000.	70-75c	
1906—350,000.	80-85c	
1907—425,000.	90c-\$1.15	
1908—600,000.	60-62c	
1909—500,000.	90c-\$1.00	
1910—200,000.	\$1.40-\$1.55	
1911—350,000.	\$1.50-\$1.75	

The above figures are all based on stripped seed after it is cured.

This dealer stated that never during these twelve years has the entire crop of blue grass seed been consumed. Even after the crop of 1910 was marketed, there remained about five car loads unsold, and the 1910 crop is the shortest on record, the seed having been killed by a late freeze that spring.

The bulk of the blue grass seed crop is used for making lawns, and is mixed with various other seeds, which have some qualities that are superior to Kentucky Blue grass seed in certain localities. The most prominent seed used in this connection are red top, white clover, rye grass, and Canadian Blue Grass. When any of these seeds becomes exclusively high in price because of short crop or for other reasons, the proportion of that seed used in the lawn grass mixture is reduced. It is for this reason that the consumption of Kentucky Blue Grass Seed is reduced when the price of it is higher than that of the other seeds used in the mixture.

The price of blue grass seed for the 1911 crop was the highest ever known, and those dealers who bought largely claim that they were unable to market it, for the reasons above given, and that they are still carrying large stocks of it by reason of which they will be forced to take heavy losses on last year's transactions.

Another factor in the situation about which most Kentucky farmers are more or less ignorant is the size of the Western crop. In 1911 this Western crop amounted to about sixty thousand bushels. Advances from there this year indicate a crop of one hundred and fifty to two hundred thousand. This Western seed is sought after by dealers who sell to the retail trade because the Western farmer does not strip it until it has thoroughly ripened, and, as a consequence, it germinates very much better than the average lot of seed that is stripped in Kentucky. As an indication of the condition in which the average farmer strips his blue grass seed in Kentucky, this dealer stated that in curing blue grass seed there is a shrinkage of about forty per cent.; whereas, if the seed was stripped ripe, it would not shrink more than twenty per cent. In cleaning blue grass seed there is a further shrinkage of thirty-five to forty-five per cent, the former being for lots free from straw and weeds.

The Kentucky farmer could undoubtedly create a larger demand for his blue grass seed if he would furnish the consumer with an article that would grow better, and at the same time he could realize a better price.

The Kentucky dealer is powerless to remedy this condition. He is more than willing to co-operate with the farmer, but the latter must take the first step.

Stafford Given Another Chance.

Friends of Watt Stafford, who was recently arrested at Carlisle on a warrant charging him with a violation of a parole, appeared before the State Prison Commission for another trial of the man who was convicted in the Bourbon Circuit court and was given a sentence of two years in the penitentiary for malicious cutting. The conduct of Stafford since he has been out of prison was the cause of his last arrest. He will be given another chance to make good. Stafford in connection with his brother was formerly engaged in the saloon business in this city.

DEATHS.

—Mr. Clarence Worstell, age 38 years passed away at his home in Beavertown, Ohio, Sunday morning, June 3. Mr. Worstell was formerly of Leesburg, Harrison county, and 13 years ago married Miss Eleanor Barlow, daughter of Mr. John Barlow, deceased, and sister of Mr. Allison Barlow, of near Jacksonville, this county. He is survived by his wife and one child, a daughter. The burial will take place Wednesday at 10 o'clock at Beavertown, Ohio.

Children's Day at the Christian Church.

Children's Day was observed Sunday by the members of the Christian Church Sunday school, and as usual, the exercises were of a high order, the children well trained, the audience large and the offerings for foreign missions generous.

The church was tastefully decorated in white and green, but the large number of children and young people with their bright, happy faces made decorations unnecessary.

Miss Betsy Ray at the pipe organ, was assisted by Miss Lucille Price, violin, and Dr. Harry Mathers and Mr. Earl Swearingen, cornets.

The children marched into the auditorium to inspiring music, and performed the parts assigned to them with ease and confidence.

Superintendent W. O. Hinton presided over the exercises, reading the Scripture lesson from Isaiah, and announcing the numbers on the program.

Perhaps it would not be fair to specialize when all performed their parts with so much credit, but the recitation by little Miss Mary Ellis, daughter of the new pastor of the church, and the Star Song, by ten little girls, with recitation by little Miss Laura Perry Davis, were very pleasing.

As usual, the primary class under the faithful and efficient training of Mrs. Walker, led the school in point of numbers and in their offering, which exceeded their apportionment by five dollars. The members of this class were seated on a platform facing the audience, and a more beautiful picture cannot be imagined than was made by them in their motion songs and recitations, with flags and flowers, their innocent baby faces filled with happiness and love.

The occasion will long be remembered with pleasure. This school makes an annual offering of \$200 to the cause of foreign missions.

Daughters Observe Davis Memorial.

Richard Hawes Chapter, United Daughters of the Confederacy, observed the birthday of Jefferson Davis yesterday with memorial exercises at the courthouse in the afternoon and in the morning the graves of the departed soldiers of the South in the Paris cemetery were strewn with flowers. There were no exercises attending the decoration of the graves of the Confederate soldiers at the cemetery, as it was considered the best plan to hold them at the courthouse in the afternoon, to afford the opportunity for the aged veterans to attend.

An excellent program had been prepared, and which was carried out in the Circuit Court room. The room was decorated in the Confederate colors and the program was rendered in the presence of a good-sized audience, among which was a number of the Confederate veterans. The Hamilton Guards, the juvenile organization of the local chapter, took an important part in the exercises. President J. A. Burns, President of the Baptist Institute of Oneida, Ky., was the speaker for the occasion.

Mrs. W. G. Talbot, President of the chapter, presided, and the exercises were opened with prayer by Rev. P. M. Shive. The Hamilton Guards rendered several selections, the program being composed of Southern songs. Miss Elizabeth Stuart Carter, daughter of Mr. and Mrs. O. P. Carter, Jr., rendered a vocal selection, which was extremely good for one of her years, while the bright little daughters of Mr. and Mrs. J. H. Ewalt, Anna Thornton and Josephine Hedges Ewalt, gave recitations.

Prof. Burns in his address, paid a beautiful tribute to the memory of the President of the Confederacy, and took occasion to speak in glowing terms of the bravery of the Southern men who fought so valiantly for the cause which they believed was right, and for the principles which were involved in the civil strife. His address was warmly received and brought tears to the eyes of many of the aged veterans. The exercises closed with a prayer by Rev. E. M. Lightfoot.

Wheat Crop Disappointing.

Perhaps the worst upspringing crop
in Bourbon county this season will be
that of wheat. Owing to the unpre-
cedented winter weather it will not be
up to the average in any respect, but
the quality of that which will mature
promises to be exceptionally good.
Many fields have been plowed and
sown to corn, reducing the acreage to

City Electrician Resigns.

Howard Lancaster, for the past two
years City Electrician for the city of
Paris, has resigned his position to ac-
cept the superintendency of the tele-
phone service of the Lexington and
Eastern Railroad company, with head-
quarters at Lexington, and left for
that city yesterday morning.

Mr. Lancaster was elected by the
Board of Council at the beginning of
the term of Mayor J. T. Hinton, and
last January was again chosen for that
position. His new position, which he
assumed yesterday, is more lucrative.
His family will move to Lexington in
the next few days to join him, and in
which city they will reside.

The position vacated by Mr. Lan-
caster is being filled temporarily by Ver-
non McGouldrick, who has for the
past several months been in the em-
ploy of the Paris Gas and Electric
Company, and in this capacity he will
continue to serve until Lancaster's
successor is named at the next regular
meeting of the City Council. There
are several applicants for the position.

—Miss Kate Ingels has returned to
her home in Lexington after a brief
visit to Miss Mary Ransom, in this city.

—Mr. Alex Hawes left Sunday for his
home at Chicago, Ill., after a week's
visit to his grandmother, Mrs. Ameri-
ca Butler.

—Mr. and Mrs. Joseph Head, of Ash-
land, who have been the guests of Hon.
and Mrs. E. M. Dickson, have re-
turned home.

—Miss Rosa D. Chandler, who has
been the guest of Miss Lou Kniffin
Howard, has returned to her home in
Harrodsburg.

—Mrs. A. C. Glenn, of Chattanooga,
Tenn., is visiting her parents, Mr. and
Mrs. Joseph Redmon, at their home
near this city.

—John Lytle, of Cincinnati, was a
visitor in Paris Sunday. He reports
the colony of Paris boys in Cincinnati
as all doing well.

—Misses Jessie Milton Jones and
Phyllis Bates, of State University,
have returned home after a visit to
Miss Lillian DeJarnette.

—Miss Georgia Grimes, who has
been teaching school in Tennessee, has
returned to her home in this city to
spend her summer vacation.

—Mrs. M. H. Davis, of Mayslick,
and Miss Mildred Williams, of Louis-
ville, are guests of Mr. and Mrs. Wil-
liam Hukill, Sr., in this city.

—Mrs. Charlton Alexander will
entertain Thursday with a luncheon-
bridge at her beautiful country home,
"Finchurst," on the Clintonville pike.

—Mr. George Ashurst, one of the
best known citizens of Paris, is quite
ill at his home on Pleasant street,
suffering from an acute attack of
Bright's disease.

—Mr. and Mrs. Chas. Moorman, Mr.
and Mrs. Harry Reid, of Versailles,
and Mr. Moorman, of Cloverport, who
have been the guests of Mr. and Mrs.
William Myall, have returned home.

—Mrs. W. E. Simms, Mrs. Sallie
Pullen and Mrs. Mary Walker, rep-
resenting the Christian Women's Board
of Missions of this city, attended the
district convention held at Mt. Ster-
ling. The excellent report of the Paris
auxiliary was read by Mrs. Pullen,
and showed that \$742 had been raised
during the year.

—Miss Mary Woodford entertained a
few friends with a fishing party on
Stoner creek Saturday. The day was
ideal and the members of the party
thoroughly enjoyed the outing. A
delicious picnic dinner was served.
Those present were: Misses Nancy
Griffith, Elizabeth Embry, Rachel
Wiggins, Elizabeth Steele, Mary
Woodford and Messrs. James Buckner,
Thomas Walker and Charlton Clay.

Paris Women Attend Federation.

Mrs. R. B. Hutchcraft and Miss
Mabel Robbins returned Thursday eve-
ning from the Federation of Women's
Clubs at Mammoth Cave. They report
a most profitable and enjoyable meet-
ing, which was largely attended by rep-
resentative women from all over the
State.

Among the new officers elected was
Mrs. Thomas Henry Clay, Jr., of the
Paris Literary Club, who was elected
treasurer, to succeed Mrs. R. B. Hutch-
craft, of the same club, who was not
eligible for re-election. Other new
officers elected were: Third Vice
President, Mrs. Morrison Bartlett,
Lawrenceburg; fourth vice-president,
Miss Laura Clay, Lexington; record-
ing secretary, Mrs. Jas. Mitchell, Bow-
ling Green; auditor, Mrs. John Thix-
ton, Owensboro; corresponding sec-
retary, Miss Rebecca Averill, Frankfort.

The purpose of holding the Federa-
tion meeting at Mammoth Cave was to
endorse the measure introduced by
Congressman R. Y. Thomas, which
provides that the cave shall be pur-
chased by the Government for a
National reservation, and which met
with hearty endorsement and approval.

A distinguished visitor at the Federa-
tion was Dr. Schnacker, of New
York, who proposed that the residence
of Dr. Ephraim McDowell, who many
years ago was a famous surgeon at
Danville, Ky., should be purchased by
the Women's Club as a club home.
This was also endorsed by the Federa-
tion.

Mrs. James McClure, Mrs. T. H.
Clay, Jr., and Miss Mary Fithian
Hutchcraft, who also attended the
Federation from Paris, arrived home
Saturday.

Easy
to keep
clean

Dear Amy:-

Laura has just been over to see me to tell
me her troubles. She's lost that maid she had
that was such a treasure. Now, if she'd buy
linoleum for her kitchen floor, as I've begged
her to do, she wouldn't have so much trouble
keeping help. It makes a kitchen or bathroom
so much easier to keep clean, and besides, it al-
ways gives them a more attractive appearance.
I've bought pretty new mottings for my bed
rooms this summer. They give the rugs a rest,
and are more sanitary, too.

Yours as ever,

Lou.

Brenlin Window Shades

—Look much better, last longer!

The richest window curtains lose their beauty against the background of a shabby shade. To do your curtains justice set them off with shades of Brenlin. For Brenlin shades always hang straight and smooth, and contain no "filling" to crack, wrinkle, fade or show unsightly "pin holes." They

outlast the ordinary shade several times over, yet cost but a trifle more. BRENLIN is made in many artistic tones and in Brenlin Duplex—colored one side, white the other. Come in and let us show you samples and quote prices.

Could Shout For Joy.

"I want to thank you from the bottom of my heart," wrote C. B. Rader, of Lewisburg, W. Va., "for the wonderful double benefit I got from Electric Bitters, in curing me of both a severe case of stomach trouble and of rheumatism, from which I had been an almost helpless sufferer for ten years. It suited my case as though just made for me." For dyspepsia, indigestion, jaundice, and to rid the system of kidney poisons that cause rheumatism Electric Bitters have no equal. Try them. Every bottle is guaranteed to satisfy. Only 50 cents at Oberdorfer's.

Salt a Bathroom Cleanser.

The bathtub and bowl, and also other pieces of enameled ware and crockery, may be satisfactorily cleaned with common salt used on a slightly dampened piece of flannel. This removes dirt and stains without scratching the surface.—Housekeeper.

Famous Stage Beauties

look with horror on skin eruptions, blotches, sores or pimples. They don't have them, nor will any one who uses Bucklin's Arnica Salve. It glorifies the face, eczema or salt rheum vanish before it. It cures sore lips, chapped hands; heals burns, cuts and bruises. Unequaled for piles. On y 25 c. at Oberdorfer's.

Qualified.

Manger—"Could you do the land-lord in 'The Lady of Lyons'?" Actor—"Well, I should say so! I've done a good many."—Tattler.

Foils a Foul Plot.

When a shameful plot exists between liver and bowels to cause distress by refusing to act, take Dr. King's New Life Pills, and end such abuse of your system. They gently compel right action of stomach, liver and bowels, and restore your health and all good feelings. 25 cents at Oberdorfer's.

Daily Thought.

Never to tire, never to grow cold, to be patient, sympathetic, tender; to look for the budding flower and the opening heart, to hope always; like God, to love always—this is duty.—Amiel.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all dealers.

Knowledge Broadens Him.

The more a man knows about this world the more willing he is to put up with the petty faults and vices of his fellows.—Detroit Free Press.

There is no real need of anyone being troubled with constipation. Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers.

The Ruling Passion.

Did you ever know a man so prosperous he wasn't figuring how he could make a little money off a side line?—Acheson Globe.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquefy the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

Both Ways.

Gibbs—"Personal appearance is a helpful factor in business success." Dibbs—"Yes, and business success is a helpful factor in personal appearance."—Boston Transcript.

A sprained ankle may as a rule be cured in from three to four days by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers.

Novelty in Surgery.

The bone of a sheep was transferred to the arm of a patient recently. The forearm undergoing the novel operation had been shattered by the discharge of a gun. The operation was pronounced successful.

It is now well known that not more than one case of rheumatism requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all dealers.

Quite the Opposite.

Agnes—What are you writing, Ethel, your will? Ethel—No, I'm writing my won't. Jack proposed last night and I told him I'd answer by mail.

Wonderous Beauty of Flowers.

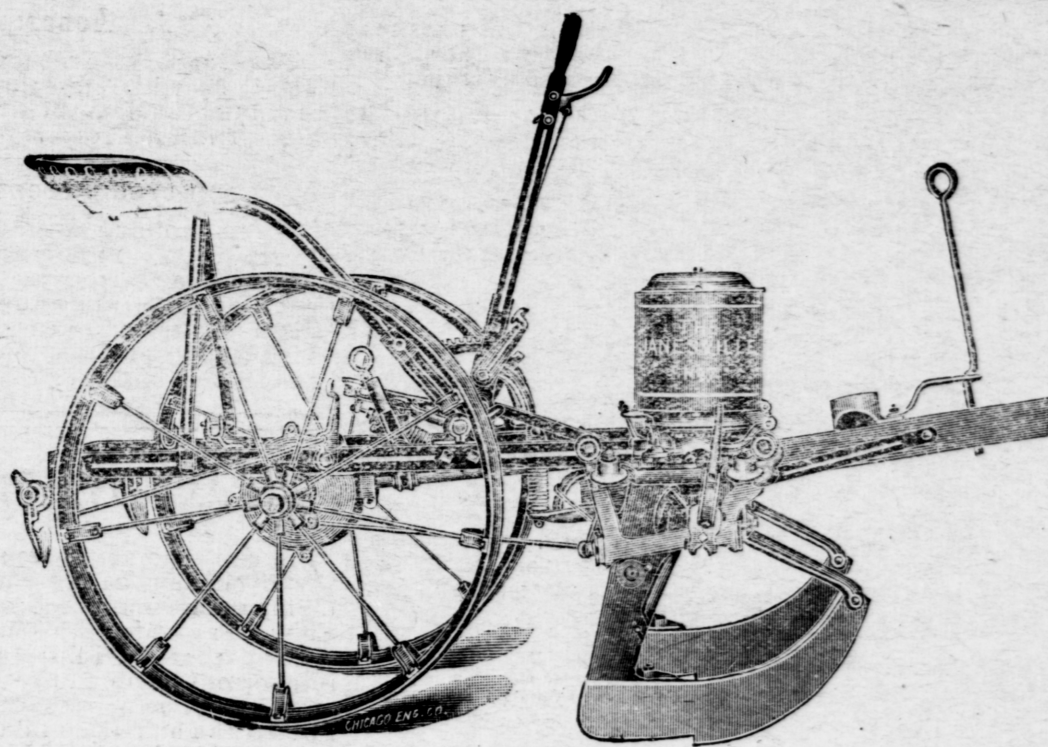

What a desolate place would be a world without a flower! It would be a face without a smile, a feast without a welcome. Are not flowers the stars of the earth and are not our stars the flowers of heaven?—Mrs. Balfour.

Three Songs of the Hen.

The hen has songs of three distinct types—the lovesong, a happy repose to her mate; the song of indifference, when idly hunting for food, indicating no certain purpose in her movements; and the lullaby song, a low, soothing note, hushing the young chickens to sleep.

BLACK PRINCE—Bought of the Greenville Stock Farm, is a splendid type of the draft horse, three years old, black Percheron, 1700 pounds in weight. Has proven to be a sure foal getter and is the kind of horse that will appeal to your fancy both in looks and work. You can make no mistake in breeding to him.

BURLEY is a splendid specimen of the draft horse and his get have proven to be of the very best. There is a steady growing demand for the class of horses produced by Burley, both upon the farm and in the cities. They stand more work than the general run of horses. Burley is 7 years old, a beautiful black. He is well formed and of the class that catches the eye. In selecting a horse to breed to, select one whose produce commands the best price.

The above horses will make the season of 1912 at Woodland Stock Farm

About 7 miles North of Paris on the Cynthiana pike. Money due when colt is foaled, mare transferred or bred to other stock without my consent. Lien retained on all colts until season money is paid. Care taken to prevent accidents but no responsibility assumed should any occur.

Will Enlighten Ministers.

With a view of better acquainting the ministers of the State with the agricultural conditions existing in Kentucky, and also with methods for improvement of the conditions, the College of Agriculture of the State University has inaugurated a novel enterprise to bring these conditions before the ministers. In order to get the matter before the ministers, Prof. I. R. Bryant, superintendent of the extension division of the college, has planned for a special course of four days, beginning June 8. He has sent out circular letters to 3,000 ministers of all denominations, inviting them to attend the special course.

Following is a copy of the letter, which is self-explanatory:
Realizing that the minister has much influence in the way of shaping the thought of his community, not only in things spiritual, but also in regard to temporal affairs, the College of Agriculture of the State University has arranged for four days of special work for ministers. The design of this work is to better acquaint the minister with the agricultural conditions of Kentucky and also with methods for other improvement.

Equipped with the information obtainable in this short course, the minister will be able to be even more than ever a leader in his community and a public benefactor.

This course begins Tuesday, June 1, and continues four days. The work will consist of lectures and laboratory work, and will be not only highly profitable, but also quite enjoyable. All is absolutely free.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Freak Chicken.

The Cynthia Democrat says:
"John W. Landrum, of the Breckinridge neighborhood, is the possessor of a four-legged chicken, which was hatched Saturday. One of the extra legs sprouts from a knee and the other one is from the breast bone. The infantile wonder causes much speculation its father and mother, like Gen. Tom Thumb's parents, were normal fowls with only two legs apiece, and there is no explanation of the little chick's extra extremities, unless it was making a valiant effort to combine the legs of its parents. A four-legged variety of chicken ought to be very popular with Methodist preachers."

Drives Off a Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes that it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cents and \$1.00. Trial bottle free at Oberdorfer's.

STOCK, CROP AND FARM NOTES.

—One of the best sales of dairy cattle ever held in Shelby county occurred last week, when ninety-three head of registered Jerseys were sold by W. R. Spahn for prices that nearly marked a record. The highest price was paid by Undulatta Stock Farm, Col. Harry Weissenger for the noted bull, Fontaine Chief. Col. Weissenger paid \$5,100 for him. Five daughters of Noble of Oakland were sold at \$800, an unusual price for heifers. Rochette's Noble was sold to an Oregon buyer for \$1,050, and a nine-months-old heifer by Noble of Oakland was sold to Elmendorf for \$1,075. On the ninety-three head the average price was \$915.

—The highest price since 1882 was reached by beef in the wholesale market in New York recently when it sold at 13 1-2 cents a pound in bulk. It is said to mean from 1 1-2 to 2 cents a pound increase for prime meats at retail. The primary cause of the high prices, the wholesale men say, is continued scarcity of cattle. Small retail dealers continue to talk of ruination of their business because consumers are greatly curtailing meat purchases.

—A great deal of complaint is being made by farmers of Woodford county of the failure of corn they planted to come up. Some of the trouble is due to bad seed, which failed to germinate, and much of it was caused by hard crusts forming in the fields after the heavy rains that followed the planting. A number of farmers have plowed up their fields and replanted.

—Simon Dinkenspeil, of Louisville, Monday purchased for a consideration which has not been disclosed, the 1912 wool pool of the Kentucky Wool Growers' Association, a branch of the American Society of Equity. Sealed bids on the pool were opened Monday night at the Willard Hotel and Mr. Dinkenspeil's bid was the best submitted.

Will Not Accept Street.

By order of Mayor J. T. Hinton, City Attorney Chas. A. McMillan yesterday officially notified the National Bitumen Co. of Indianapolis, that the city of Paris would reject the repair work which is about completed on the Main street and which has been in progress for the last two weeks. Workmen are now engaged in repairing the street. The city authorities are of the opinion the work is inferior and will not accept the repairs made upon it in the past few days.

Court Day.

The urgency of farm work kept the farmers at home yesterday and as a result June court was the smallest in many months in point of attendance and amount of business transacted. Only about twelve mules were on the market and they were of very common variety. Caywood & McClintock purchased two from Jim Woodford for \$375, one from J. W. Young for \$235, one from Chas. Meng for \$200 and sold two to Lewis Rogers for \$475, and two to Burke & Brent for \$440. No cattle were offered.

New Superintendent for Home.

Official announcement was made Friday of the appointment of Mrs. Mary Smith Lewis, of Indiana, as the new superintendent of the I. O. O. F. Home, at Lexington, to succeed George R. Kennedy, of Covington, Ky, recently resigned.

Mrs. Lewis was for twelve years superintendent of the Indiana Odd Fellows' Home, and has been prominent for a number of years in charity organization work in Indianapolis and other places.

Pupils Give Recital.

The pupils of the piano class of Miss Willie T. Summers gave a recital at the residence of Miss Jaynes on High street Saturday morning. The recital was well attended and the fourteen pupils of the class who participated acquitted themselves with credit. The prize, a gold medal, for regular attendance was awarded to Miss Elsie Varden, daughter of Dr. and Mrs. Geo. S. Varden. The class of Miss Summers will be opened again in September.

MILLERSBURG ITEMS.

Dr. H. C. Burroughs and Mr. J. H. Burroughs attended the Sunday School convention at Mt. Sterling, Thursday night and Friday.

Mrs. Fannie Talbot, Mrs. Frank Allen, of Sharpsburg, and Mrs. W. A. Johnson, of Paris, were guests of Mrs. Sallie Best, Thursday.

Mr. E. D. Baldwin, who has been the guest of his sister, Mrs. E. H. Kerr, for the past two weeks, left Friday for his home at Maysville.

Mrs. U. S. G. Pepper and daughters, Misses Jennie Maurie and Christine, will leave today for a three weeks visit to relatives in Cincinnati.

Mrs. K. B. Hutchings, of Lexington, arrived Friday to be present at the birthday celebration of her mother, Mrs. Belle Taylor, which took place Saturday.

Mr. and Mrs. Urban Swinford, of Carlisle, Mr. and Mrs. Leslie Shroat, of Owensville, arrived Sunday as the guests of their parents, Mr. and Mrs. J. H. Carpenter, and to be present at the funeral of their uncle, Mr. W. F. Carpenter.

Mr. W. F. Carpenter, aged 66, died Sunday at 11:30 a. m., after a protracted illness from a complication of diseases. He was the son of Dr. and Mrs. J. H. Carpenter, and the greater part of his life has been spent in Bourbon county. He was born in Nicholas county, two miles north of Millersburg on the farm of his father, now owned and occupied by his brother, Mr. J. H. Carpenter. He was one of the best known horsemen in Kentucky. When quite a young man he ran a farm for a few years near Fern Leaf, Mason county, with his brother, Mr. J. H. Carpenter. Later he moved to Carlisle and was engaged in the hotel business in that city, and was married early in life to Miss Howard, sister of Mrs. John W. Mock, of Millersburg. After a time he purchased a farm near Middletown, where he resided for a number of years, amassing a considerable fortune. It was here that his wife died. Some fifteen years ago he sold this farm and moved to Millersburg, where he identified himself with his brother, J. H. and S. C. Carpenter, who are extensive dealers in horses and other live stock, and also the Carpenter livery business. From the time he went to farming he became interested in horses and had practically made this his life since. Some twelve years ago he was again united in marriage to Miss Katherine McNamara, of Paris, who survives him. He is also survived by one married daughter, Mrs. Claud Ratcliff, of Carlisle. He has been three times elected as a member of the Millersburg City Council, which position he held at the time of his death. This makes the second member of the council who has died since last July, Mr. J. H. Warford dying on that date. Mr. Carpenter is one of six children and is survived by three brothers, Messrs. J. H. and S. C. Carpenter, of Millersburg, and Mr. Edward Carpenter, of Florida, one sister, Mrs. Mollie Conway, of Kansas City, Mo. Mr. Hiram Carpenter, a brother, dying in Paris about ten years ago.

Funeral will take place this afternoon at 3 o'clock from his late residence, Elder Thomas Smith, pastor of the Christian Church will officiate. Interment in Millersburg cemetery.

Paris Team Hits its Stride at Last.

After suffering defeat after defeat, the Paris team seems to have again come back to its stride and the prospects are now that the aggregation will pull out of the hole and within the next few weeks are expected to be at the top battling for first honors.

With the addition of several new men the locals are putting up a genuine article of ball and the fact was demonstrated at White Park yesterday afternoon when in an excellent exhibition they took the Hustlers into camp by a score of 4 to 1. Blankenship was on the mound for Paris and while he exhibited a little wildness he pitched a masterly game, holding the opposing team to three hits. Two of the total number came in one inning, which counted the only run, and after that he was invincible.

With the addition of Erhard, who was sent here by "Red" Snears, and Preston, from Huntington, the team has been strengthened to a considerable extent. Today there will be another player in uniform, a catcher, who was secured in Baltimore.

The game yesterday was transferred from Winchester, and the game scheduled here today will be played off in that city this afternoon. Wednesday and Thursday the Rivermen will be the attraction at White Park and the local management has designated Wednesday as ladies' day, when all the ladies will be admitted free.

With the Paris team playing good ball the club is deserving of the patronage of the lovers of the sport in this city. Of late the game has been played at a loss, and the pride of the local fans is appealed to that the club may keep its head above the water. Baseball, as a matter of fact, has put Paris on the map, and it should not be permitted to die out for lack of attendance. Our club is in the league to stay as long as it is sustained by the receipts. If the club must live interest should not cease. With the opening of the series with Maysville let there be one of the old-fashioned crowds in attendance. A winning team will be provided if the patronage will warrant it, and those who favor a winning team should not let the matter of a few games lost stand in the way of attendance. Let's get together and boost and win another pennant.

Paris and Lexington met at White Park Friday afternoon and the locals showed some improvement in the playing, the game resulting in a score of 8 to 4 in favor of the Bourbonites. Haus er seemed to have struck his old time form and, pitching well at all stages, held the visitors at his mercy. He was very effective, striking out ten men, and kept his hits well scattered. Errors were directly responsible for three of the runs secured by the visitors. The Bourbonites hit the opposing pitcher freely and in most instances their hits were well placed and secured at opportune times.

At Lexington, Saturday, the Bourbonites accomplished another defeat over the Colts, winning in a ninth inning finish by a score of 7 to 6. The Colts were leading up to the ninth inning four runs to the good when the locals fell on to Vallandigham and pounded in six runs. Popken and Koehler pitched for Paris, and when Vallandigham weekend Cannitz went in to finish the game for the Colts. Both Eddington and Goodman secured home runs in this game, the former getting two, while in the last inning Goodman sent one over the fence for a home run, scoring one man ahead of him.

Sunday afternoon Paris and Lexington met in the final game of the series, which took ten innings to decide, the score being a duplicate of that of the day before, only, Lexington was at the long end. Ellis brought the game to a close in the tenth with a home run, ending the agony. Paris came from away back and tied the score in the eighth, after the Colts had assumed a good substantial lead of four runs in the first session and two in the third. Errors were frequent on the part of the Lexington team, which greatly assisted the locals. Harold scored the run which put the contest in doubt by putting the ball over the fence for a home run. The Bourbonites showed some improvement over their form of the week past, hitting the ball freely and at times when hits count the most.
